# LINCOLN CENTER

**PLAYBILL®**

## PROGRAM

**GWYOA** exists to provide talented and committed young people with opportunities to develop musically and to experience the joys of learning and performing together. It is a non-profit organization funded from tuition and donations. GWYOA students in grades 7-12 have the opportunity to earn college credits from Westchester Community College if they meet attendance and participation requirements. Auditions are held each spring for the three orchestras:

- The Westchester Elementary String Orchestra provides a unique opportunity for string players in grades 4-6 to begin their orchestral training.
- The Westchester Junior String Orchestra provides an excellent growth experience for string players in grades 7-9.
- The Westchester Youth Symphony is considered one of America's foremost youth orchestras. It is composed of over 100 high school instrumentalists (strings, winds, brass and percussion) chosen by competitive auditions each year.

For more information go to [www.gwyoa.org](http://www.gwyoa.org)
